PRODUCT COMPARISON GUIDE

DAVE LENNOX signature COLLECTION

The Dave Lennox Signature® Collection is the ultimate expression of Lennox innovation. These air conditioners are some of the most precise, efficient and quietest you can buy.

Ultimate Comfort
System™ model

iComfort®-enabled model

ENERGY STAR®
certified model

Lennox® Quantum™
coil model

1 Efficiency claim based on comparison of air conditioning and heat pump products' SEER as published in AHRI (January 2015). Actual system combination efficiency may vary; consult a Lennox Dealer or AHRI for exact system efficiencies. Precision claim based on the cooling capacity range of the XC/XP25-036 units as compared to equivalent-sized competitive variable-capacity compressor units.

2 A combination of sound ratings established per AHRI's test standard: AHRI 270-2008 (August 2013); and efficiency ratings as of January 2015 established per AHRI's test standard: ANSI/AHRI 210/240-2008 of two-stage central AC/HP equipment.

3 Air conditioners have sound ratings established per AHRI's test standard: AHRI 270-08 (February 2015). The SL18XC1 has the lowest sound rating of any single-stage air conditioner of any major U.S. brand of air conditioner equipment. Efficiency claim based on comparison of single-stage air conditioner product's SEER as published in AHRI in June 2015. The SL18XC1 has a maximum rated efficiency of 18.50 SEER.

4 Humiditrol systems must be accompanied by either a variable-speed air handler or furnace and an iComfort thermostat or ComfortSense 7500 Series touchscreen thermostat.

5 Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

NOTE: Due to Lennox' ongoing commitment to quality, all specifications and ratings are subject to change without notice. Warranties noted apply to residential applications only. Please see actual warranty certificate for details. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.
